Reinforce Your Branding Strategy with Channel 23

Over 98% of people do business with the company they think of first. Brand awareness sets you apart from your competitors.

Highlight your message, product or service daily on MCAM TV23. The more familiar places your ads appear, the more likely potential clients will remember you. At the same time, your financial support helps Manchester's youth and adults learn new skills and stimulate local dialog.

Take Advantage of Our Creative Video Services

MCAM has a 2,500 square foot television production studio with multiple sets, a large chroma wall, and the right technology to help you package your message without breaking your budget.

We also offer DVD duplication and distribution services with no minimum order requirement. Share your message with people outside our viewing area.
